Our Approach

With over 40 years of personal experience in the MEP, Electromechanical, and Facilities Management sectors across the GCC, I founded **VEE KAY GLOBAL GENERAL CONTRACTING L.L.C** to bring that expertise to the **UAE** through a company built on quality, reliability, and a future-focused mindset.

VEE KAY GLOBAL General Contracting L.L.C is backed by decades of hands-on industry knowledge. We are committed to delivering end-to-end MEP solutions, from maintenance and contracting to complete electromechanical installations. Our goal is to take full ownership of each project and ensure it is completed to the highest standards—on time, every time.

At **VEE KAY GLOBAL**, we treat our clients' priorities as our own. We work closely with them to understand their needs and deliver the best-fit solutions with professionalism and care.

Er. Raja Gopal Vaithilingam
Managing Director

About Us.

VEE KAY GLOBAL General Contracting L.L.C, established in Abu Dhabi, is built on a foundation of over 40 years of expertise in MEP, Electromechanical, and Facilities Management across the GCC.

We provide comprehensive solutions in Facilities Management, MEP maintenance and contracting(AMC), Electromechanical Installations, and Oil & Gas related services.

Our approach is simple — deliver every project with integrity, precision, and professionalism. By combining deep industry knowledge with a future-focused outlook, we ensure our clients receive reliable, cost-effective, and long-term solutions.

At VEE KAY GLOBAL, we don't just execute projects—we take ownership, ensuring every detail meets the highest standards of quality and safety.
